IMPORTANT FINANCIAL POLICY & PATIENT RESPONSIBILITY NOTICE

| Patient's First Name* | Patient's Last Name* | |
|-----------------------|----------------------|--|

Insurance co-payments, co-insurance, deductibles, and non-covered services are expected to be paid at the time of service.

INSURANCE: We participate in multiple insurance plans, including Medicare. However, there are several commercial insurance plans that we do not participate with. If you are insured with a plan we are not contracted with, payment in full is expected at each visit. Knowing your insurance benefits is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage. It is advised that you call and confirm with your insurance carrier that we are contracted with your insurance plan.

COPAYMENTS, COINSURANCE, AND DEDUCTIBLES: All co-payments, co-insurance, and deductibles must be paid at the time of service. This arrangement is part of your contract with your insurance company. When we do not collect copayments, coinsurance, and deductibles from patients at the time of service, it can be considered fraud. Please help us in upholding the law by paying your contracted fees at each visit.

PROOF OF INSURANCE: All patients must complete our patient information forms before seeing a provider. We must obtain a copy of your driver's license and current valid insurance card to provide proof of insurance. If you fail to provide us with the correct insurance information in a timely manner, you may be responsible for the balance of the claim.

CLAIMS SUBMISSION: We will submit your claims for the insurance companies that we are contracted with and assist you in any way we reasonably can to help get your claim paid. Your insurance may need you to supply certain information directly. It is your responsibility to comply with their request in a timely manner. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. Your insurance benefits are a contract between you and your insurance company.

NONPAYMENT: If your insurance company does not pay your claim in 45 days, the balance will automatically be billed to you. Please be aware that if a balance remains unpaid, we may refer your account to a collection agency. In the event of finding it necessary to turn your unpaid balance over to a collection agency, all collection fees and/or legal fees will be owed in addition to the remaining balance. If this occurs, you will be notified by regular or certified mail.

ASSIGNMENT AND RELEASE: By signing below, I hereby authorize payment to Pinnacle Heart Vascular & Wellness for any benefits payable to me for the healthcare services provided to the client/patient at Pinnacle Heart Vascular & Wellness, to be paid directly to the practice.
